VILLA

6.7 M.
DOUBLE VOLUME
LIVING ROOM

ARCHE*

Flowing water and a gentle breeze are conveyed through a serene design concept, with a soothing tone-on-tone palette that plays on various shades to create a tranquil atmosphere, enveloped in soft-toned wooden materials. The walls adorned with patterns mimicking the movement of the wind are enhanced by the airy ambiance of the double volume ceiling and the liberating feeling brought about by natural light. The result is a space that is vibrant, constantly in motion, and full of life.

Tranquility blends with the special area on the spacious terrace by the private pool.

The private pool enables residents to relax and unwind, featuring flowing water and a jacuzzi system.

A dedicated laundry area conveniently located near the maid's room enhances privacy for the homeowners.

An exclusive area for special family moments, seamlessly connecting every function with a lofty double living space reaching 6.7 meters in height.

Get closer to nature with specially made glass windows that let in natural light and the lush greenery outside, seamlessly transitioning from outdoors to indoors.

1st FLOOR

Foster a closer connection with nature through large glass windows that offer ample natural light and increase the presence of green spaces.

Upgrade your aesthetics with the unique corner window.

The floating floor space is designed for versatility, allowing customization to fit your needs, such as family room or study room functions.

MEZZANINE FLOOR
